

## **Pennsylvania EITC/OSTC Guidelines 2024/2025**

**Pennsylvania residents** are eligible for scholarships for their children based on the follow household income criteria...

Household income is less than **\$108,444** plus **\$19,088** for each **qualifying dependent** in the family.

For example...

**A family with one qualifying dependent must have an income below \$127,352 (\$108,444 + \$19,088 = \$127,352)**

**A family with two qualifying dependents must have an income below \$146,620 (\$108,444 + \$19,088 + \$19,088 = \$146,620)**

**A family with three qualifying dependents must have an income below \$165,708 (\$108,444 + \$19,088 + \$19,088 + \$19,088 = \$165,708)**

In addition, if the applying family has a child that is considered disabled according to Pennsylvania EITC/OSTC law the qualifying dependent amount would be multiplied by 1.50 for a **support level 1 disability** and by 2.993 for a **support level 2 disability**.
